Cape Fear High School is located in the Northeast region of Cumberland County. The school is situated approximately 20 miles from Fort Bragg and Pope Field. The community is largely a rural, residential community that takes great pride in the many accomplishments of students at Cape Fear High School. The school, one of 17 high schools in Cumberland County, is a Division 4-A school comprised of grades 9-12. Mac Williams Middle School and eight elementary schools serve as feeder schools. Cape Fear is honored to be listed as a Bronze Medal School by US News in 2013.

School enrollment as of September 2013 was 1585 students with a certified faculty of 107. Included in this number are four Assistant Principals and four School Counselors.

Cape Fear High School is proud to be a school of choice in Cumberland County. The Academy of Agriculture and Natural Sciences offers a challenging academic curriculum for students interested in agriculture, biotechnology, and related areas. The goal of the Cape Fear Natural Science Academy is to promote science education and the understanding of environmental issues in Cumberland County. Students are able to take agriculture classes though Fayetteville Technical Community College and Sampson Community College during the school day. These students receive both high school and college credit.

Cape Fear High School operates on a 4X4 block schedule. The 4X4 schedule enables students to enroll in eight classes per school year. Students take four classes the first semester and four classes the second semester. The classes last approximately 90 minutes, and run for 90 consecutive school days.

### Graduation Requirements

Students must meet the requirements for Future Ready Core in order to graduate.

The requirements for a Future Ready Core diploma:  
- English - 4 credits; Math - 4 credits (Algebra I, Geometry, Algebra II, and a higher level math course with Algebra II as a pre-requisite unless math exempt); Science - 3 credits (Earth/Environmental Science, Biology, and a Physical Science); Social Studies - 3 credits (World History, Civics and Economics, and U.S. History); Health and Physical Education - 1 credit; Courses from foreign language, the arts and/or career and technical education - 2 credits; Elective credits concentrating in career and technical education, arts, JROTC, foreign language, AP/IB courses or College Connections - 4 credits

### Honors Courses (37)

Advanced Placement Courses taught live: (11) English Language & Composition, English Literature & Composition, Calculus AB, Biology, Chemistry, Environmental Science, United States Government, United States History, Psychology, World History and Music Theory

Advanced Placement Courses taught via teleconferencing: (6) Psychology, European History, Calculus AB, Calculus BC, Physics, Statistics

Grading System: A passing grade is 70. The grading system for standard level classes is as follows:

\[
\begin{align*}
A & = 100 - 93 = 4.0 \\
B & = 92 - 85 = 3.0 \\
C & = 84 - 77 = 2.0 \\
D & = 76 - 70 = 1.0
\end{align*}
\]

Ranking & Averages: The scholastic average, the scholastic rank, and the weighted rank are listed on the transcript of credits. Class rank begins at grade 9 and is based on a weighted grade point average. One (1) quality point is added to passing grades earned in Honors courses and two (2) quality points are added to passing grades earned in Advanced Placement courses.

Class of 2013 Profile

A.C.T. Composite Score: 18.1
