

Fear Factor

Fear Factor is the student athletic booster club founded in 2010. Membership is by semester, with dues being paid each semester. Dues pay for two short-sleeve t-shirts (redesigned annually) and attendance at home, regular season games. Fall semester dues are \$30, and members attend football and other fall sports games and matches. Spring semester dues are \$40, and members attend basketball, baseball, softball, and other winter and spring sports activities. Students whose parents are VIP card holders pay \$20 dues per semester.

Cape Fear provides Fear Factor members with transportation to away games. Students must have a field trip permission form and pay for their own admission tickets.
