

日本 Nihon

Nihon, the Japanese Culture Club was founded in December of 2013. You are welcome to join us as we celebrate Japanese culture through Anime, music, and art. Our Meetings are held the 1st and 3rd Tuesdays of the month. Our activities include watching films together, learning origami and games, exploring myths and legends, observing Japanese traditions, and learning basic Japanese. Our library has an Anime collection of over 400 volumes.

In keeping with the Japanese value of community service, each member is strongly encouraged to earn the Volunteer Service Cord. Service hours vary by graduation year so contact the club advisor or your guidance counselor for more information.

Members enjoy sharing their interest in Japan and Anime with their family and friends. *Animazement* is the largest Anime convention on the East Coast, and is conveniently held in Raleigh over the Memorial Day weekend.

If you are interested in learning more about the club, Anime aficionados are in the Media Center every morning before school and will be happy to answer any questions you may have.
