NC College Application Week is a state-wide promotional week for all NC high school seniors to apply and apply early to colleges and universities in North Carolina. College application week is from 7:00 AM, MONDAY, NOVEMBER 14 through FRIDAY, NOVEMBER 18, 2016 5:00 PM. CAW’s popularity has led some colleges and universities to decide to entirely waive the application fee during this week. Not every participating college or university waives their application fee; however for those who qualify they will accept the College Board College Application Fee Waiver during CAW.

<tbody>
<tr>
<td>College application fee waivers (CAFW) will be distributed electronically to eligible students. Because students who take the SAT using a fee waiver have already had their eligibility verified by their counselor, CAFWs do not require additional counselor approval.</td>
<td>ACT provides a “Request for Waiver or Deferral of College Admission Application Fee”. The request is for a college to consider waiving or deferring payment of the college admission application fee for the student who has also applied for an ACT test fee waiver on the basis of one of more of the indicators of economic need identified by ACT.</td>
</tr>
<tr>
<td><strong>Eligible students will receive notification of their CAFWs and be able to access them via their College Board accounts. Students are assigned a unique fee waiver code that they can submit with four of their college applications.</strong></td>
<td><strong>The form is to be completed and signed by the student and a High School Official and submitted along with the college application. It is the college’s decision as to whether or not the application fee will be waived or deferred.</strong></td>
