

## Reserved Seat and Reserved Parking Order Form

Would you like the convenience of a reserved seat in Colt Stadium and reserved parking in the Student Parking Lot for football games? Cape Fear High School is offering our fans the opportunity to purchase a reserved seat and reserved parking for the 2017 Football Season.

Seats are \$50 and do not include your admission. Please purchase a Booster Club Pass or use an approved pass for admission. Your seat will be reserved for all games. In August you receive a sheet of tickets for the season with your row and seat identified on them.

Parking is \$25 per spot and will be reserved for all football games, regular season and playoffs. Numbered hang tags for each event will be available in August.

Fees are due by August 8, 2017. Check or cash is accepted.

A seating chart and a parking map are attached. Seat 1 is closest to the concession stand. Seat 20 is closest to the band. Parking spots 1-11 and 165-202 are closest to the stadium.

Please return this form to Cape Fear High School.
