

Student Selection in Numeric or PC19/WC19

Cumberland County School personnel have worked to interpret and apply the guidance developed by the North Carolina Department of Public Instruction (NCDPI) and approved by the State Board of Education (SBE) on April 23, 2020. The work has resulted in the guidelines for non-graduating high school students' final course grades as described below.

Students in grades 9-11 and non-graduating seniors will choose how each final course grade will appear on their transcript for their currently enrolled courses, year-long and semester courses. Please mail the enclosed form back to the school or return it when school resumes for the 2020-2021 school year.

Option 1: Keep their numeric grade	Option 2: Replace the grade with PC19 or WC19

Students who prefer to keep their numeric grades (Option 1 above) will need to take no action. Students who would like to replace their numeric grades with PC19 or WC19 should complete the enclosed form and return it to their school counselor.
